## INTEREST

Jiu Jitsu | Music | Movies Traveling | Tennis | Soccer I am Vitor Ferreira a professional with over 19 years of experience as a designer and developer of digital media projects. Graduated in Graphic Design, I am familiar with Adobe softwares, HTML and CSS. My work as a graphic designer has ranged from designing ads for magazines, catalogs and websites, to the production of large scale printings and signage. In an ever changing industry, along with my experience I try to keep myself up-to-date and improving. I am always eager and open to learning new skills.
